

Product Description

Rolcer VariGear is a premium automotive gear oil formulated from highly refined quality bases oils and Extreme Pressure additives. It offers excellent thermal and oxidation stability. It provides excellent protection to gears and other components even under heavy duty conditions.

Performance Specification

Rolcer VariGear meets or exceeds the following performance requirement:

- API GL-4

Features/Benefits

- SAE 90 and 140
- Premium automotive gear oil with extreme pressure additives
- Processed from premium virgin base oils
- Provides excellent thermal and oxidation stability
- Provides excellent protection to gears and other components even under heavy duty conditions
- Recommended for heavily loaded gear boxes of Trucks, Buses, LCVs, MUVs and Cars

Typical Properties

Test Parameters	ASTM Method	Typical Values	
		SAE 90	SAE 140
Density @ 15.6 ⁰ C, Kg/L	D1298	0.89	0.90
Kinematic Viscosity at 100 ⁰ C, cSt	D445	16.18	32.03
Viscosity Index	D2270	95	95
Pour Point ⁰ C	D97	-12	-9
Flash Point (COC), ⁰ C	D92	248	262

Properties mentioned above are typical only, and minor variations which do not affect the product performances, are to be expected in normal manufacturing.
